Applying for the MSt in Applied Criminology and Police Management

Applications for the MSt programmes are made online through the Institute of Continuing Education.

Please go to: [http://www.ice.cam.ac.uk/courses/msts/apply-for-an-mst](http://www.ice.cam.ac.uk/courses/msts/apply-for-an-mst) to start this process.

Please note that applications do not open until 1 September

There is a £50 application fee and the application cannot be submitted without paying this. Course fees will be invoiced by the Institute of Criminology once applications have closed (usually towards the end of February). For the MSt’s in Applied Criminology, we invoice an all-inclusive fee which includes the tuition fee, bed & breakfast during the designated residential elements and the college fee.

Every student has to be a member of a college as well as the programme. During the application process, you will be given a choice of college. Please look at the webpages for the colleges possible before making this choice. Once you have been accepted by a college, it is not possible to change this. When you graduate, you do this from your college so if you know others also applying for the course, you may wish to all opt for the same one. Not all Cambridge colleges accept MSt students but please see the possible options below.

Fitzwilliam College: [http://www.fitz.cam.ac.uk/](http://www.fitz.cam.ac.uk/)

Selwyn College: [http://www.sel.cam.ac.uk/](http://www.sel.cam.ac.uk/)

Wolfson College: [http://www.wolfson.cam.ac.uk/](http://www.wolfson.cam.ac.uk/)

The MSt in Applied Criminology and Police Management welcomes applications from candidates who do not have a first degree with an award of a 2.1 or equivalent but who have relevant experience at a senior level.

Once your application has been reviewed, if you do not already have a first degree, you may be asked to write something and/or you may be invited for an interview. If you are made a conditional offer, the conditions will have to be met before you can be admitted.
