

# RIOT FROM WRONG

Institute of Criminology Public Seminar Series

Thursday 24<sup>th</sup> January 2013, 5.30pm

LG19, Faculty of Law, 10 West Road, Cambridge, CB3 9DZ

Over a year ago Britain saw the largest case of mass civil unrest this century...

On the 4th day of the riots, in the face of the devastation and destruction, surrounded by negativity and misconception, 14 passionate young people from across London came together to take positive action. The critically acclaimed, eye opening documentary *RIOT FROM WRONG* is a result of that positive action.

With dialogue from the film playing a major role in The Tricycle Theatre play 'The Riots', and over 30 screenings across Britain so far, plus sell out screenings at The East End and Portobello Film Festivals, BFI, Roundhouse, and Somerset House, and a special screening at The Houses of Parliament... *RIOT FROM WRONG* has been causing quite a stir!

*'This film breaks the mould of conventional perceptions peddled by the mainstream media. It opens doors that have remained firmly closed on a generation which feels disenfranchised and disempowered. Made by young people at street level who have access and credibility, not by pontificating pundits. It is set to become an historic and definitive document. A resource which should be viewed by all those who care about the restoration of an inclusive and effective democracy.'*

This screening is free, and is open to all interested in attending, with no ticket required.
