**IN CONFIDENCE** - To be completed by the referee, then forwarded directly to the above address, by the closing date of **31 May**.

The Managers of the **MANUEL LOPEZ-REY Scholarship** are very grateful to those who act as referees and would value a statement about the suitability of this candidate, who must be a citizen from a country where there is a particular need for the development of the study of criminology. The academic standard required for the scholarship is high, and the Managers look for evidence of considerable promise of achievement by successful candidates.

A student, if not already a member of the University of Cambridge, will be required to become one before the Michaelmas Term of the year in which s/he is elected, unless specific permission is given to defer to a later term. The scholarship is tenable for one year, but eligible for re-election for a further second or third year. The value of the award is determined by the Managers at the time of election and in the light of the student's circumstances and the funds available.
