

Applying for the MSt in Applied Criminology, Penology and Management

Applications to the MSt are made via an online process administered through the Institute of Continuing Education. (Please note this is a separate department from the Institute of Criminology)

Applications will open on 11 September 2017 and close on 9 February 2018

The first residential element will begin on 9 April 2018.

How to Apply

Please set up your online service account by following the instructions at:

<http://www.ice.cam.ac.uk/course/mst-applied-criminology-penology-and-management>

Colleges:

Students have to be members of a college. During the application process, you will be given a choice of college. Please look at the web pages before making this choice. Once you have been accepted by a college, it is not possible to change and as you graduate from your college, if you have colleagues applying for the MSt at the same time, you may wish to opt for the same one. You will not always get your first choice college selection as places at some of them are limited.

All students on the Penology course are members at Homerton College:

Interviews:

Once your application has been submitted, you will be contacted by the Institute of Criminology to arrange an informal interview. This can be conducted by telephone, Skype or in person. The purpose of the interview is to ensure that you know what to expect on the course, what will be provided, what will be expected of you and to answer any queries or concerns you may have.

Interviews will be organised by the Institute of Criminology

Samples of written work:

If you do not have a first degree in which you achieved a 2.1 or above (or equivalent), you will be asked to either submit a piece of written work or to write an essay.

References:

For the MSt course, professional references are preferred. Ideally these will be from your line manager or member from your sponsoring agency if appropriate. A request should be generated automatically to these with instructions on how to complete the reference. If, for any reason, your nominated referees do not receive this, please contact the ICE Admissions team at:

mst.admissions@ice.cam.ac.uk

Certificates and transcripts: You will need to upload copies of certificates and transcripts for any qualifications declared on your application form. If you have lost your degree certificate or transcript, it is normally possible to request a replacement from your original university but these sometimes take a while to be delivered.

If you have any queries regarding certificates and transcripts please contact:

mst.admissions@ice.cam.ac.uk

Language Requirements: *

- IELTS Academic: Overall band score of 7.0 (a minimum of 6.5 in Writing and 7.0 in the other components)
- TOEFL Internet: Overall score of 100 (a minimum of 25 in each individual component)

There is provision for a further assessment by the University Language Centre if your score targets are missed by a small margin. If you have any queries regarding language requirements, please contact: mst.admissions@ice.cam.ac.uk

Other necessary documentation:

You will need to upload a photograph which will be used on your University card and to identify you. This card will give you access to less open areas of the Institute of Criminology, access to your college as well as reduced fares on the Uni4 bus and other University properties and colleges.

Financial Undertaking:

This is your commitment to pay course fees. We are aware that many of you have agreements with sponsoring agencies and the administrative team at the Institute of Criminology will make invoicing arrangement directly with these where agreed, however, everyone does have to complete and

submit this Financial Undertaking form with appropriate details. Please note that the University has a combined fee which includes college membership and this currently shows as £6,500 on your self-service account. To make invoicing easier for your agencies, the Institute of Criminology invoice will also include your accommodation, formal dinner and some other costs. **Thus, your total fee will be £10,000 per annum.**

The Financial Undertaking Form must be signed and uploaded to your self-service account. A purchase order or details for invoicing will need to be forwarded to the Administrator at the Institute of Criminology who will arrange the invoicing required.

Conditional Offers:

At some point, we hope you will receive a conditional offer. Check that you have met the conditions and accept. If English is your first language, you do not have to meet any language requirements*

The application process does sometimes take a while. We do welcome those who have professional experience at a senior level but who do not have a first degree but if you do not have a first degree with a 2.1 or above equivalent, your application has to be reviewed by an admissions committee who only meet once a month which does cause delays so please be aware of this.

Once your place has been confirmed, the administrative team at the Institute of Criminology will be in touch with introductory information.
