Where we publish – Graph of disciplinary orientation of journals in which members of the Institute have published in 2025

Note: Graph created by Claude based on the list of publications. Books and reports are excluded from journal counts

---

<sup>1</sup> Note: The list includes publications – journal articles, published reports, book chapters and books - by Institute academic and research staff, and 2025 PhD students, last updated 7 May 2026. Note that the list includes both online first and ‘version of record’ publications --- hence some publications may also have appeared in the previous year. Please contact [dirpa@crim.cam.ac.uk](mailto:dirpa@crim.cam.ac.uk) if you notice any omissions.
